Meetings Day

- Thurs 21 September: in-person meetings (bookable on Meeting Mojo) will take place Upstairs at The Ritzy, from 10am-5pm.
- Meetings must be pre-booked. Not all distributors will be in attendance. Please check the list above.
- Distributors have been allocated either a morning (10am-1pm) or afternoon slot (2-5pm) for booking meetings. All are welcome to attend a networking lunch (1-2pm).
- Please note that meetings are **in person only** this year - we will not be providing an in-platform service for videocalls. However, you are of course welcome to use the contact details on the platform to arrange them outside of the event. Although there is public Wi-Fi access available at The Ritzy, it will not be strong enough to host video meetings on Thursday.

All meetings day attendees should have received an email with your Meeting Mojo access link and login instructions. If you haven't received this access link please contact slatedays@filmlondon.org.uk

Exhibitors may request meetings with Distributors and Sponsors, and vice versa. Acceptance of meetings requests is at the discretion of the meetings table hosts.

Once you have access to your meeting account you will be able to:

- Add or update the information on your profile.
- Search for potential meeting partners
- Pre-request a meeting with any of the listed exhibitors/distributors/sponsors.
- Receive meeting requests from other attendees.

We would encourage attendees to send meeting requests as soon as they are ready.

As in previous years, each distributor and sponsor will be allocated a physical meeting table upstairs at The Ritzy. The tables will be clearly marked with signs.

An accessible table can also be used where an exhibitor has indicated they would prefer step-free access to the meeting.

All meetings are 15 minutes long with a changeover time of 5 minutes between meetings. Delegates will hear a 2-minute warning and will be expected to promptly move onto their next meeting once the 15 minutes are up. Thank you!

List of Attendees and Event Brochure

We will circulate a list with contact details of all attendees who have agreed to share their details shortly before the event.

You will also receive a digital version of the Distributor Slate Days brochure in which distributors list their contact details and their key upcoming releases. Please note that we are aiming to be environmentally friendly, so we will not print the brochure. A QR code leading to the full brochure is also printed on your delegate pass.

Environmental Sustainability

We're conscious of our environmental impact and are dedicated to making the conference as sustainable as possible. This means we will not provide tote bags and have reduced printed materials.

You will be provided with a recyclable delegate pass and lanyard that we ask you to return at the end of the event in a box that we will have ready for you at the exit. If you are attending Meetings Day, please hold onto your delegate pass and lanyard for entry on the second day, and return it then.

We ask you bring the following with you:

- ✓ a reusable water bottle
- ✓ a reusable coffee/tea cup if you have one

We will provide a water station at the cafe and bar areas to refill your bottles throughout the day.

The food options are all vegan friendly and thus less environmentally impactful to produce.

We will be pleased to reserve wheelchair spaces or seats in the auditorium if this is helpful. Please contact us in advance.

Toilets are located on both the ground floor and the first floor. An adapted toilet for wheelchair users is located on the ground floor on the main corridor to the screens. There is an emergency call-point in this toilet should a user need to summon assistance.
